

Welcome to the Nebraska Early Childhood Exchange! This website was created to save early childcare providers – like you – time and money so you can focus on doing what you do best: serving children and families!

Your first month of access to the Exchange is FREE!!

During your first month, take time to explore all the Nebraska Early Childhood Exchange has to offer through your full site access. You'll also receive an email every other week highlighting new resources on the site and tips. These emails are a great way to help you learn about the wealth of tools available in the Exchange.

After your first month, you can continue accessing all of the useful document templates, money-saving discounts, back office supports and all other resources by subscribing for a 12-month membership. The one-time membership fee covers you and all staff at your center or family child care home for a whole year.

The membership fees are:

Student/Individual, Family Child Care I, Family Child Care II	\$75
Preschool	\$100
Center – under 30 children	\$125
Center – 31-99 children	\$150
Center – 100-499 children	\$200
Center – 500+	\$250

Please share your thoughts by contacting TheTeam@NebraskaExchange.org. We'd like to know if you liked the resource, or if there is anything you'd like to see added that would help your program. Any and all feedback is welcome.

Enjoy!

Thank you,
The Team at Nebraska Early Childhood Exchange
